Lost / destroyed ticket **	the price (as per the valid Pricelist) for the actual time of use of the parking services, verified by the APS but no less than 30 BGN

The price is applied for every starting hour / day.
All prices include VAT.

** By inserting the ticket into an Automated Payment Machine (APM) or visiting the service point at the exit booth a ticket validation could be done in order the duration to be calculated, checked and/or the amount due to be paid.*

*** In case the parking ticket is lost or destroyed the amount due is the price (as per the valid Pricelist) for the actual time of use of the parking services, verified by the APS **but no less than 30 BGN.***

The stay and the parking in the parking areas at the relevant airport is free of charge for the first 10 minutes, starting from the moment when a ticket is issued by the parking machine. In case the ticket is validated and this could be done only once, additional 5 minutes are provided. Those additional 5 minutes are added at the moment the ticket is being validated and they are not added automatically to the 10 minutes free parking service.

The visitors pay the amount due for the parking service at the APMs at the relevant airport located as per the scheme applied (Addendum №1 and №2) or at the service point at the exit booth. After the payment is done the time for exiting the airport is the higher of: with 15 minutes or the time left within the prepaid period.
